

ABOUT: COBREY BOATS

2008-03-13

I confirm that I have dealt with COBREY BOATS company since February 2005, during which time they delivered my company new boats „COBREY 250 SC" of their production.

The main value of the COBREY BOATS company is high quality of production, quality of service, easily communication, readiness to help to solve any problems, all-time support.

Their high quality production has been one of the most important factors in selling success of this boat.

I can confidently recommend COBREY BOATS as a solid and reliable producer, and expert in their field.
